BREATHABLE

Allows air to circulate, keeping the body cool and dry.

STRENGTH

This fabric has the strength and durability to resist the strain and stress of full contact sports.

MOISTURE MANAGEMENT

Wicks away moisture, removing perspiration from the body to keep athletes cool, dry and comfortable.

QUICK DRYING

This fabric has in-built quick drying technology to keep you dryer and comfortable for longer.

LIGHTWEIGHT

This fabric is lightweight for enhanced breathability and mobility for the weather.

THERMAL REGULATION

Regulates body temperature by absorbing and retaining body heat for lasting warmth.

HIGH STRETCH

A close fit ergonomic fabric with four-way stretch that moves in accordance with the body for maximum mobility.

SOIL RELEASE

Allows water to better penetrate the fabric during laundering to remove dirt and stains more easily.

TEAM APPAREL

The O'Neills brand is synonymous with quality in every regard.

We produce the best apparel using the latest technologies ensuring optimal dancer performance.

We transform yarn into fabric at our state-of-the-art knitting and dyeing facility, guaranteeing fast turnaround on even the most complex designs.

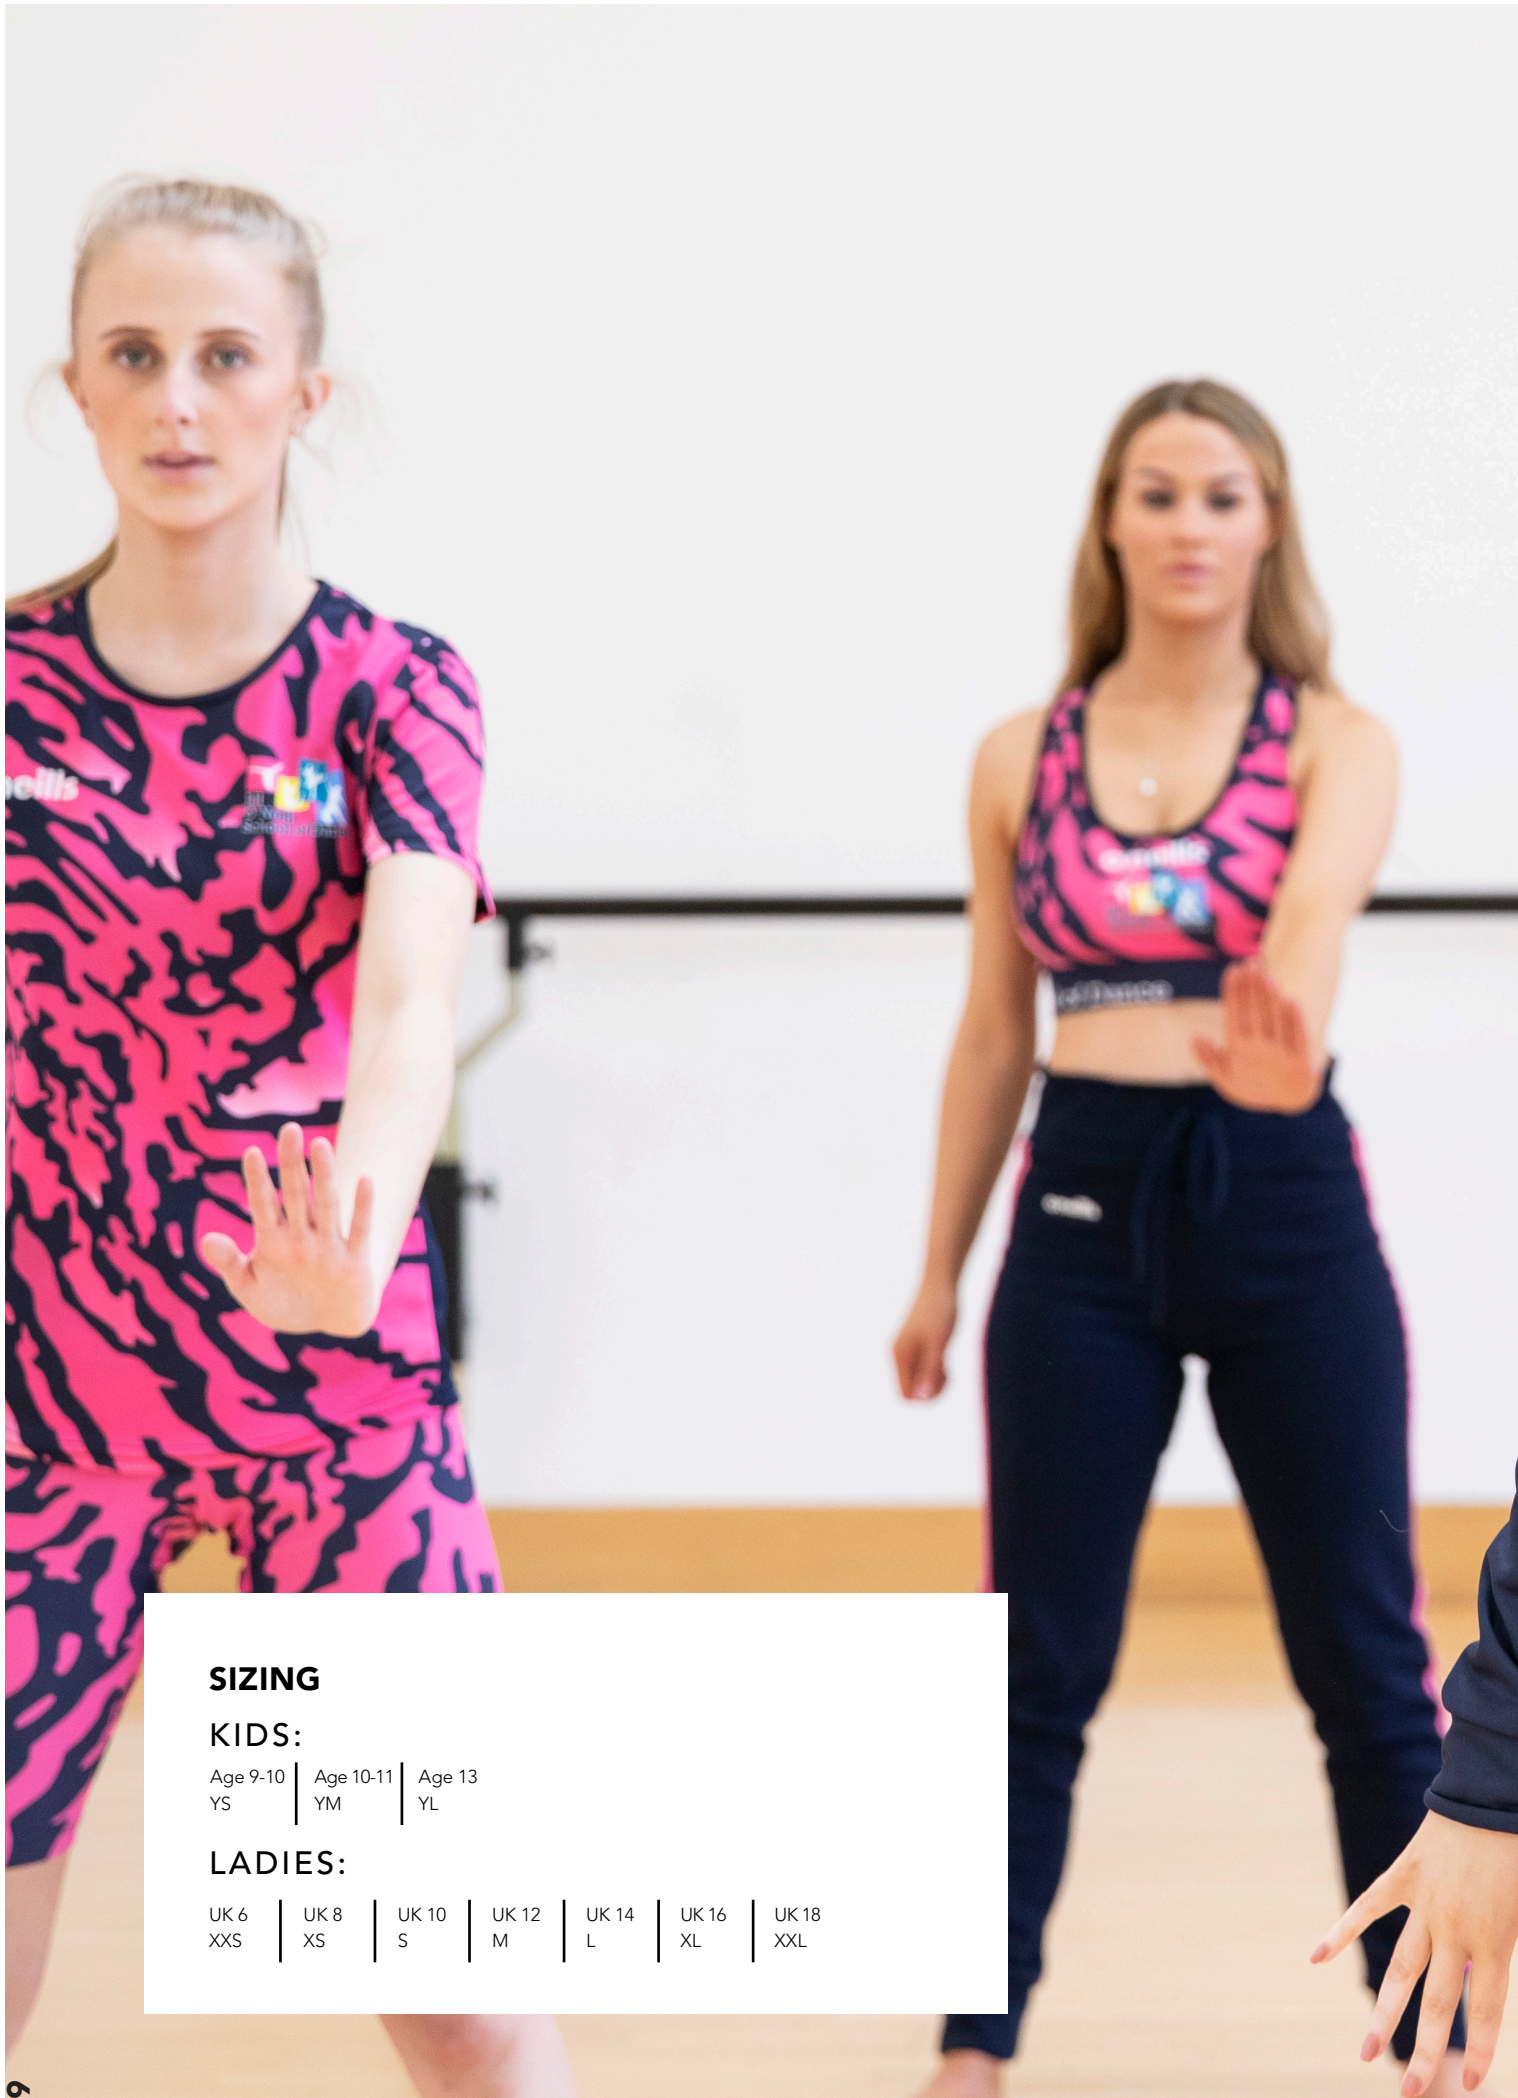

O'Neills can print any colour/pantone that you require for your team apparel.

When you choose O'Neills you are guaranteed quality. O'Neills have been accredited with ISO 9001 and ISO 14001 Quality Awards that recognize the company's quality management protocols.

ClubHub

HOW IT WORKS

What is ClubHub?

ClubHub is an online platform for schools/clubs to order bespoke and personalized product. It works as follows:

1. ACCESS

A unique link is sent to each school/club. Members use this link to register and gain access to the ClubHub shop.

2. PERSONALIZATION

Members may personalize garments with initials, names, numbers etc.

3. PAYMENT

Members pay for their purchases directly on the site when ordering.

4. WINDOW

ClubHub shops are open to members for a pre-determined period of time, normally 7 days.

5. COLLATION

Once the shop is closed, individual orders are collated into bulk orders for production.

6. PRODUCTION

Bulk orders are subject to standard production lead times from the date the shop is closed. Lead times range from 4-8 weeks depending on the type of product ordered.

7. DELIVERY

Once ready, orders are delivered in bulk directly to the school/club.
