We supply custom designed and personalized teamwear, leisurewear, training gear and accessories to schools, universities, businesses and sports clubs. From grass roots to professional level and international squads, we are the one-stop-shop.

- Founded In 1918, O’Neills Irish International Sports Company Ltd now employs over 600 people with manufacturing plants in Ireland and sales offices throughout the UK, Europe and across the world.
- We can incorporate any design into our garments thanks to our unique sublimation process. This means that your teamwear can be customized for the whole club. Your design. Your gear. Your look.
- We convert yarn into fabric at our state of the art knitting and dying facility in Ireland allowing us to guarantee a fast turnaround on even the most complex design.

Our continuous re-investment in equipment means we are able to offer cutting-edge design and production to all of our customers. We also retain standard stock items in a range of colour combinations. These can be customized and personalized for immediate delivery.
