ST HELENS RFC, UK

St Helens RFC teamed up with O'Neills with a view to making a radical change to the club's merchandising programme in order to increase sales. This has proved a very positive move for us. Product range and quality has been very well received both by the performance team and the fans, and the responsive service and creative attitude of O'Neills staff has been fantastic. We are already planning new ranges for the New Year and beyond, and with this added flexibility we can confidently buy into product ranges with the peace of mind that minimum quantities will not hold us back. We are looking forward to many successful years ahead with them.

DAVE HUTCHINSON, HEAD OF SALES & MARKETING

WARRINGTON WOLVES, UK

O'Neills are a pleasure to work with.

They provide an excellent service to the club, from concept meetings, to design to samples to full production. We are grateful to them for their ongoing support and the speed they can offer when turning products around, something we've never had with previous sportswear partners.

If any other club contacts us for our thoughts on O'Neills, we always thoroughly recommend them as they provide quality products and great account management. It's a great deal for us and we hope to continue with them for many years to come.

GARY WILTON, HEAD OF COMMERCIAL

PENRITH PANTHERS, AUSTRALIA

It's crucial our players are fitted out with high quality apparel that allows them to perform at their peak at training and in the heat of battle. With O'Neills Sportswear we know we are onto a winner. They embrace our challenging timelines meaning that we can be confident that the kit will be ready for day one of pre-season training.

You can actually see the effect it has on our players. The high tech materials they use are lighter and stronger, and gives our players every opportunity to achieve their goals.

It's that little bit extra that makes O'Neills and Panthers stand out from the crowd.

SHANE ELFORD, PHYSICAL PERFORMANCE MANAGER
